SCRUTINY AND EVALUATION OF BIDS

Basic Principle

1. Bids will be evaluated on the basis of the terms and conditions already incorporated in the e-tender document, based on which bids have been received and the terms, conditions etc. mentioned by the bidders in their bids. No new condition will be brought in while scrutinizing and evaluating the bids.
2. The Purchaser will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, stamped and whether the bids are generally in order. The bids, which do not meet the basic requirements, are liable to be treated as non-responsive and will be summarily ignored.
3. Prior to the detailed evaluation of price bids, the Purchaser will determine the substantial responsiveness of each bid to the e-tender document. For purpose of these clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the e-tender document without material deviations. Deviations from, or objections or reservations to critical provisions such as those concerning Performance Security, Terms and Mode of Payment; Variation, Delay in the Contractor's Performance, Liquidated Damages, Termination of Contract, Force Majeure, Resolution of Disputes, Applicable law etc. will be deemed to be

material deviations. The Purchaser's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

4. If a Bid is not substantially responsive, it will be rejected by the Purchaser.
5. Decrypted (transformed into readable format) documents of the non-statutory cover will be downloaded and handed over to the Tender Evaluation Committee. The Committee will evaluate technical proposals as per terms laid down in this e-tender document.
6. During evaluation the Committee may summon bidders and seek clarification /information or additional documents or original hard copies of documents submitted online. If these are not produced within specified time, the bid proposals will be liable for rejection.
7. The result of evaluation of technical bids, along with information regarding further steps in evaluation of the tender shall be uploaded online on e-tender website.

Comparison of Bids

1. The comparison of the responsive bids shall be carried out on Delivery Duty Paid (DDP) consignee site basis.

Bidder's Capability to Perform the Contract

1. The purchaser, through the above process of bid scrutiny and bid evaluation will determine to its satisfaction whether the bidder, whose bid has been determined as the lowest evaluated responsive bid is eligible, qualified and capable in all respects to perform the contract satisfactorily.
2. The above-mentioned determination will interlaid, take into account the bidder's financial, technical and production/ service capabilities for satisfying all the requirements of the purchaser as incorporated in the e-tender document. Such determination will be based upon scrutiny and examination of all relevant data and details submitted by the bidder in its bid as well as such other allied information as deemed appropriate by the purchaser, including inspection of warehouse/ registered or branch office/ site visit of any current project(s) etc. of the bidder at cost and arrangement of bidder by authorized representative(s) of purchaser.

AWARD OF CONTRACT

Purchaser's Right to accept any bid and to reject any or all bids

1. The purchaser reserves the right to accept in part or in full any bid or reject any or more bid(s) without assigning any reason or to cancel the tendering process and reject all bids at any time prior to award of contract, without incurring any liability, whatsoever to the affected bidder(s).

Award Criteria

Subject to GIB clause 24 above, the contract will be awarded to the lowest evaluated responsive bidder per health facility. The list of successful bidder(s) shall be uploaded online.

Variation of Quantities at the Time of Award, During Currency of Contract

1. The quantity of goods and/ or services mentioned in the relevant section(s) in tender to be procured may be staggered during currency of the contract.
2. The bidder reserves the right to extend the 3 (three) year contract by another 3 (three) years on same terms and conditions at the end of 3 (three) year contract period. Thereafter, the contract may be extended on same terms and conditions for further periods on mutual agreement between purchaser and contractor.

Notification of Award

1. Before expiry of the tender validity period, the purchaser will notify the list of successful bidder(s) per health facility online on websites, <https://wbtenders.gov.in> and www.wbhealth.gov.in. In addition, each successful bidder shall be notified in writing that its bid for goods and/ or services, which have been selected by the purchaser, has been accepted, also briefly indicating there in the essential details like description, specification and quantity of the goods and/ or services and corresponding prices accepted. The successful bidder must furnish to the health facility the required performance security within 15 (fifteen) days from the date of issue of this notification, failing which the EMD will be forfeited and the award will be cancelled. Relevant details about the performance security have been provided under GCC Clause 5.
2. The Notification of Award shall constitute the conclusion of the Contract and the 3 (three) year contract period shall commence from this date of notification.
3. The successful Bidder shall also physically submit original documents/ duly attested photocopies of all

documents uploaded by him online at the time of bidding.

Issue of Contract

1. Within 7 (seven) days of notification of award, the successful bidder will sign the contract form as per Section X with the health facility.
2. The Purchaser reserves the right to issue the Notification of Award consignee wise.

Non-receipt of Performance Security and Contract by the Purchaser/ Consignee

1. Failure of the successful bidder in providing performance security and/ or signing contract shall make the bidder liable for forfeiture of its EMD and also, for further actions by the bidder against: Termination for default.
